Class 1 News

Class 1 had a fantastic trip to St Winnow Church learning all about Easter. We have also been working on a wide range of habitat experiments and photos are on our closed Facebook page.

In swimming we have 1 session remaining that includes our tests, and speaking of tests, we completed our SATS tests in preparation for the summer.

In literacy we have been working on poems and a superhero story in French.

Please read with your child every night. Those that do are making fantastic leaps in learning.

Class 2 News

We took part in Science Week from 15th-18th March. The children took part in an online lesson, hunted for invertebrates, set up hedgehog tunnels and carried out an experiment on habitats.

Reminders

- Please remember to book your child's lunches via ParentPay, if you are having any difficulties accessing Parentpay please speak to Kirsty in the school office.
- The weather remains very unpredictable at this time of year so please ensure your child has a waterproof coat with them each day and suncream/ sunhat when needed.

Newsletters and other school information items are all available on our school website: www.lerryn-cornwall.co.uk
